SUBJECT: CTB -- Administration Language

Attachment  
Presidential Language on U.S. CTB Policy

ADMINISTRATION LANGUAGE ON CTB

"A comprehensive test ban remains a long-term objective of the United States. We believe such a ban must be viewed in the context of a time when we do not need to depend on nuclear deterrence to ensure international security and stability, and when we have achieved broad, deep, and verifiable arms reductions, substantially improved verification capabilities, expanded confidence-building measures, and greater balance in conventional forces."
